

Membership requirements for the Brunswick H.O.G. Chapter.

It is the responsibility of each new and current H.O.G. Chapter member that you have a current ***'International H.O.G. membership'*** with an ***'AU'*** number. This ***'AU'*** number must be presented and verified before your H.O.G. Chapter issues you with a membership number to that Chapter.

It is your responsibility when applying for, or renewing your membership to your Chapter, that you must provide proof of your ***'International H.O.G. membership'*** as a condition of eligibility for that membership.

If you allow your ***'International H.O.G. Membership'*** to ***lapse***, this will ***'automatically terminate'*** your H.O.G. chapter membership and any associated memberships.

Once you re-apply for an ***'International H.O.G. membership'***, have received a new ***'AU'*** number, you may then re-apply for membership to your local H.O.G. Chapter where you will be issued with a new ***'H.O.G. chapter membership number'***
